

SACRED HEART ROMAN CATHOLIC PRIMARY SCHOOL

ADMISSION POLICY AND ARRANGEMENTS 2018 /2019

Sacred Heart is a Catholic School in the trusteeship of the Diocese of Salford. It is maintained by Blackburn with Darwen and is a voluntary aided School. The Governing Body is the Admissions Authority and is responsible for taking all decisions on applications for admissions. The co-ordination of admissions arrangements is undertaken by the Local Authority.

For the school's year commencing September 2018, the Governing Body has determined that the number of children to be admitted to the Reception Class will be no more than 30.

The school's role is to participate in the mission of the Catholic Church by providing a curriculum, including Catholic religious education and worship, which will help children to grow in their understanding of the Good News and in the practice of their faith. The school will help the children develop fully as human beings and prepare them to undertake their responsibilities as Catholics in society. The school requires all parents applying for a place here to understand and respect this ethos and its importance to the school community. This does not affect the rights of parents who are not of the Catholic faith to apply for a place here.

Admissions to the school will be determined by the Governing Body. Parents must complete a Local Authority Preference Form or apply online via the website www.blackburn.gov.uk/admissions. If you do not live within Blackburn with Darwen, you need to complete a supplementary form which is available from the school.

Applications for admission to the school for September 2018 should be made between September 2017 and 15th January 2018. It is not normally possible to change the order of your preferences for schools after the closing date

Children with a Statement of Special Education Need/Education, Health and Care Plan naming Sacred Heart will be admitted first. Then, if there are fewer than 30 applications, all applicants will be offered places. However, if the demand for places at the school is greater than the number of places available, the following oversubscription criteria will be applied:

1. Looked After Children and previously Looked After Children.
2. Children with an exceptional social, medical, educational or religious need which can be best met, or only met at this school;*
3. Baptised Catholic children who have a sibling in the school at the time of admission.
4. Baptised Catholic children resident in the parishes of Sacred Heart & St Anne's (please ask at school for definition of boundaries & map).
5. Other baptised Catholic children.

6. Other children who have a sibling in the school at the time of admission.
7. All remaining applicants.

*Children with proven exceptional medical, social or welfare needs where the needs can only be met at Sacred Heart. If you wish to be considered under this category you must provide appropriate supporting evidence with your application from a doctor, social worker or other professional. This evidence must explain why the preferred school is the most suitable and what difficulties would be caused if the child had to attend another school

Tie Break

If it is not possible to offer places for all applications within any criterion above, priority will be given to those living closest to the school measured by a computer system used by the local authority. In the event of distances being the same for 2 or more applicants, places will be allocated by the method used by the local authority. (The Local Authority uses a random draw (lottery) to decide which children will then be offered a place. The draw will take place at the Local Authority's offices and the names will be drawn by a computerised system.

Twins/multiple births

It is the duty of governors to comply with regulations on class size limits for children aged between rising five and seven. The Governing Body may exceed the regulations for twins and children from multiple births where one of the children is the 30th child admitted. This also applies to in-year applicants who are looked after/previously looked after children, children of UK service personnel or children who move into the area for whom there is no other school available within a reasonable distance.

Notes for Applicants:

- a. All applications will be considered at the same time and after the closing date for admissions which is 15 January 2018. Applications received after this date will be **treated as a late application** and will not be considered until **after** the main allocation of places has taken place.
- b. A Looked After Child is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their Social Services functions (under section 22(1) of the Children Act 1989. A previously Looked After Child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.
- c. For a child to be considered as a Catholic evidence of a Catholic Baptism or reception into the Catholic Church is required. Written evidence of reception into the Catholic Church can be obtained by referring to the Register of Receptions, or in some cases a sub-section of the Baptismal Registers of the Church in which the Rite of Reception took place. If, for example, a child has been baptised in the Church of England and the parents are subsequently admitted to the Catholic Church through the RCIA programme, the child must also be admitted to the Church by the Rite of Reception.

The Governing Body will require written evidence in the form of a Certificate of Reception before applications for school places can be considered for categories of 'Baptised Catholics'. A Certificate of Reception is to include full name, date of birth, date of reception and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of reception.

Those who have difficulty obtaining written evidence of baptism for a good reason, may still be considered as baptised Catholics but only after they have been referred to the parish priest who, after consulting with the [appropriate diocesan authority] will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

- d. Home Address is considered to be the address where the child normally lives. Where care is split and a child moves between two addresses, the household in receipt of the child benefit would normally be the address used but the admission authority body reserves the right to request other evidence as fit the individual circumstance. Applicants should not state the address of another relative or person who has daily care of the child.
- e. Sibling' is defined in these arrangements as full, half or step brothers and sisters, adopted and foster brothers and sisters, or the child of the parents/carer's partners who are living at the same address and are part of the same family unit. This does not include cousins or other family relationships.
- f. A waiting list for children who have not been offered a place will be kept and will be ranked according to the Admission Criteria. The waiting list does not consider the date the application was received or the length of time a child's name has been on the waiting list. This means that a child's position on the list may change if another applicant is refused a place and their child has higher priority in the admissions criteria. Please note that Looked After Children, previously Looked After Children and those allocated a place at the school in accordance with the Fair Access Protocol must take precedence over those on the waiting list as specified. The school will keep the waiting list indefinitely as long as the cohort is in school ensuring that the all admissions are offered in the right priority order.
- g. For 'In Year' applications received outside the normal admissions round, if places are available they will be offered to those who apply. If there are places available but more applicants than places then the published oversubscription criteria will be applied. All 'In Year' applications should be made via the Local Authority.
- h. If an application for admission has been turned down by the Governing Body, parents may appeal to an Independent Appeals Panel. Parents must be allowed at least twenty school days from the date of notification that their application was unsuccessful to submit that appeal. Parents must give reasons for appealing in writing and the decision of the Appeals Panel is binding on the Governors.
- i. The Governing Body reserves the right to withdraw the offer of a school place where false evidence is received in relation to the application.
- j. Parents may request that their child attend school part-time until the term after he/she reaches his/her fifth birthday.

Deferred admission

If your child is due to start school during the next academic year, it is important that you apply for a place for September. If your child's fifth birthday is between the months of September and December, then, if you wish it, admission may be deferred until January; if it is between January and April, then admission may be deferred until the start of the summer term though it is likely to be in your child's interest to start no later than January. Once offered your child's place will be reserved until they actually take up their place.

Admission of children outside their normal age group

Parents/carer(s) may seek a place for their child outside of their normal age group, for example, if a child is gifted and talented or has experienced problems such as ill health. Parents of a summer born child (born between 1 April and 31 August) may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group - to reception rather than year 1.

Children who are already of school age

Parent(s)/carer(s) must submit their written request for admission out of the normal age group to the Governing Body. If their request is agreed and a place is available in the requested year group, the child will be admitted.

Children seeking admission to reception in the September after their fifth birthday

Parent(s)/carer(s) will need to submit a normal Common Application Form (CAF) to the Local Authority (in writing or online) for admission into the normal age group at the same time as they submit a written request to the Governing Body for their child to be admitted out of the normal age group.

Please note: This Governing Body will not honour a decision made by another admission authority on admission out of the normal age group. The parent(s)/carer(s), therefore, should consider whether to request admission out of the normal year group at all their preference schools, rather than just their first preference school.

The Governing Body will make a decision on the request before the Primary national offer date if at all possible.

If the request is agreed, the parent(s)/carer(s) must make a new application for the next main admission round the following year, and their current application for the normal age group should be withdrawn before a place is offered.

If their request for admission outside the normal age group is refused, parent(s)/carer(s) must decide whether to accept the offer of a place for the normal age group that they receive from the Local Authority, or to refuse it and make an in-year application to the Governing Body for admission to year one for the September following their child's fifth birthday.

Making the decision

Parent(s)/carer(s) seeking admission of their child outside their normal age group must send their written request to the Governing Body. It is the responsibility of the parent(s)/ carer(s) to provide the Governing Body with all relevant information relating to this request, including the parent(s)/carer(s) views; information about the child's academic, social and emotional development; medical history and views of a medical professional (where relevant); whether the child would naturally have fallen into a lower age group if it were not for being born prematurely; and whether the child has previously been educated out of their normal age group.

The Governing Body is required to take into account the views of the Head Teacher on the application as well as the information from the parent(s)/carer(s). The Governing Body will make their decision on the basis of the circumstances of each individual case, and in the best interests of the child concerned.

The Governing Body will then inform the parent/carer of their decision on the year group the child should be admitted to and will provide the reasons for their decision.

Parent(s)/carer(s) have a statutory right to appeal to an independent admission appeal panel against the refusal of a place at a school for which they have applied. As the purpose of the appeals process is to consider whether a child should be admitted to a particular school, the right of appeal does not apply if they are offered a place at the school but it is not in their preferred year group. However, they may make a complaint about an admission authority's decision not to admit their child outside their normal age group.
