ADMISSION ARRANGEMENTS

Reception 2017 - 2018

Making an application

Applications for admission to the school for September 2017 should be made on-line at www.blackburn.gov.uk/admissions or on the Common Application Form between September 2016 and 15th January 2017. It is not normally possible to change the order of your preferences for schools after the closing date.

Parents **must** complete the Local Authority application form, stating three preferences. Parents who wish their application to this Church school to be considered against the faith criteria **should** also complete the supplementary form. If the school is oversubscribed, a failure to complete the supplementary form may result in your application for a place in this school being considered against lower priority criteria as the Governing Body will have no information upon which to assess the worship attendance.

The supplementary Form is available from the school.

Letters informing parents of whether or not their child has been allocated a place will be sent out by the Local Authority by 16th April 2017. Parents of children not admitted will be informed of the reason and offered an alternative place by the Authority.

Admission procedures

Arrangements for admission have been agreed following consultation between the governing body, the Diocesan Board of Education, Local Authorities and other admissions authorities in the area.

The number of places available for admission to the Reception class in the year 2017 will be a maximum of 30

The governing body will not place any restrictions on admissions to the reception class unless the number of children for whom admission is sought exceeds their admission number. By law, no infant class may contain more than thirty children. The Governing Body operates a system of equal preferences under which they consider all preferences equally and the Local Authority notifies parents of the result. In the event that there are more applicants than places, after admitting all children either with an education, health and care plan, a statement of special educational need or an Individual Pupil Resource Agreement (IPRA) naming the school, the governing body will allocate places using the criteria below, which are listed in order of priority.

1. (a) **Looked after children / Previously looked after children.**

This includes any "looked after child" and any child who was previously looked after but immediately after being looked after was adopted or became subject to a residence/child arrangement order or special guardianship order. 'Looked after' means that the child was (a) in the care of the local authority, or (b) being provided with accommodation by the local authority in the exercise of their social services functions.

(b) **Children with special medical or social circumstances affecting the child where these needs can only be met at this school.**

Professional supporting evidence from a professional, eg a doctor, psychologist, social worker, is essential if admission is to be made under the criterion for special medical or social circumstances, and such evidence must set out the particular reasons why the school in question is the most suitable school and the difficulties which would be caused if the child had to attend another school.

2. **Children with parents/guardians/carers who live in the parish of St Cuthbert's.**

A map showing the boundaries is available on the school website.

3. **Children with a parent/guardian/carer who worships at St Cuthbert's Church, or worships at a church which is a full member of the Churches Together in England, the Irish Council of Churches, Action of Churches Together in Scotland or Churches Together in Wales.**

The list of Churches can be found on the *Churches Together in England* website <http://www.cte.org.uk> the Irish Council of Churches <http://www.irishchurches.org>, Action for Churches Together in Scotland <http://www.acts-scotland.org>, and Churches Together in Wales <http://www.cyun.org.uk>; lists are taken as on 1st September 2016. Parental worshipping means regular monthly attendance at church at public worship over a period of at least 6 months between 1st January and 1st September 2016. The governors will request confirmation of this from the relevant member of clergy. Where a family has changed churches, then information about all of them will be required. A maximum of 22 children will be taken under this criterion

4. **Children who have a sibling attending St Cuthbert's School.**

Siblings include step, half, foster, adopted brothers and sisters and children of parent's/carer's partners living at the same address. It does not include sibling cousins.

5. **Children of staff who have been employed in the school for the whole of the two years prior to the closing date for applications.**

This applies to all staff, full and part time, who are employed in the school.

6. **Other children**

Tie break

Where there are more applicants for the available places within a category, then the distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre. Where the cut-off point is for addresses within the same building, then the single measure between address points will apply and the Local Authority's system of a random draw will determine which address(es) receive the offer(s). The draw will take place at the Local Authority's offices and the names will be drawn by a local authority officer who is independent of the admissions process.

Admissions information

In 2016, there were 71 applications for 30 places.

Late applications for admission

Where there are extenuating circumstances for an application being received after the closing date for applications, and it is before the governors have established their list of pupils to be admitted, then it will be considered alongside all the others.

Otherwise, applications which are received after the closing date will be considered after all the others, and placed on the waiting list in order according to the criteria.

Waiting list

Where we have more applications than places, the admissions criteria will be used. Children who are not admitted will have their name placed on a waiting list. The names on this waiting list will be in the order resulting from the application of the admissions criteria. Since the date of application cannot be a criterion for the order of names on the waiting list, late applicants for the school will be slotted into the order according to the extent to which they meet the criteria. Thus it is possible that a child who moves into the area later may have a higher priority than one who has been on the waiting list for some time. If a place becomes available within the admission number, the child whose name is at the top of the list will be offered a place. This is not dependent on whether an appeal has been submitted. Please note that looked after children, previously looked after and those allocated a place at the school in accordance with the Fair Access Protocol must take precedence over those on the waiting list. The waiting list for the Reception Class September intake will be kept until 31st December 2017. For all other year groups children's names will remain on the waiting list for 6 months, after which time parents will need to re submit their child's name if they still wish their child to be considered for a vacancy at the school.

Address of pupil

The address used on the school's admission form must be the current one at the time of application, ie the family's main residence. If the address changes subsequently, the parents should notify the school. Where the parents live at different addresses, and there is shared parenting, the address used will normally be the one where the child wakes up for the majority of Monday to Friday mornings. If there is any doubt about this, then the address of the Child Benefit recipient will be used. Parents may be asked to show evidence of the claim that is being made for the address, e.g. identity cards of various sorts showing the child's address as the one claimed. Where there is dispute about the correct address to use, the governors reserve the right to make enquiries of any relevant third parties, e.g. the child's GP, Council Tax Office, Electoral Registration Officer, utilities provider. For children of UK Service personnel and other Crown Servants returning to the area proof of the posting is all that is required.

Non-routine admissions

It sometimes happens that a child needs to change school other than at the "normal" time; such admissions are known as non-routine or in-year admissions. Parents wishing their child to attend this school should arrange to visit the school to discuss this and then submit an "In Year Application Form" to the Admissions Team. If there is a place in the appropriate class, then your child will be admitted. If there is no place, then the governing body will have to refuse the application but information will be provided about how to appeal against this refusal.

If your family is moving house, your application and appeal will be considered as being made from your old address until you provide suitable evidence of a permanent change of address, e.g. exchange of contracts on your house purchase or the signed tenancy agreement and rent book for your new address.

Please note that you cannot re-appeal for a place at a school within the same school year unless there has been relevant, significant and material change in the family circumstances.

More information about changing schools is listed in the Council's "In Year Admission Form". The form is available from schools and the admissions manager, Children's Services & Education department, 10 Duke Street, Blackburn, BB2 1DH. Telephone (01254) 666605 or 666698 or 666602.

Appeals

Where the governors are unable to offer a place because the school is oversubscribed, parents have the right to appeal to an independent admission appeal panel, set up under the School Standards and Framework Act, 1998, as amended by the Education Act, 2002. **Parents should notify the clerk to the governors at the school if they intend to appeal, the closing date for receipt of appeal forms at BwD is 16th May 2017.** Parents will have the opportunity to submit their case to the panel in writing and also to attend in order to present their case. You will normally receive 14 days' notice of the place and time of the hearing.

Appeals which are received after the deadline will be slotted into the schedule where this is possible. There is no guarantee that this will happen and late appeals may be heard after the stipulated date at a second round of hearings. The schedule is subject to change depending upon the availability of appeal panel members, clerks, venues and the number of appeals for each school (which will vary year on year).

Fraudulent applications

Where the governing body discovers that a child has been awarded a place as the result of an intentionally misleading application from a parent (for example a false claim to residence in the catchment area or of involvement in a place of worship) which effectively denies a place to a child with a stronger claim, then the governing body may withdraw the offer of the place. The application will be considered afresh and a right of appeal offered if a place is refused.

Deferred admission

If your child is due to start school during the next academic year, it is important that you only apply for a place for September. If your child's fifth birthday is between the months of September and December, then if you wish it, admission may be deferred until January: if it is between January and April, then admission may be deferred until the start of the Summer term though it is unlikely to be in your child's interest to start no later than January.

Admission of children outside their normal age group

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, born from 1st April to 31st August may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group - to reception rather than year 1.

Children who are already of school age

Parent(s)/carer(s) must submit their written request for admission out of the normal age group to the Governing Body. If their request is agreed and a place is available in the requested year group, the child will be admitted.

Children seeking admission to reception in the September after their fifth birthday

Parent(s)/carer(s) will need to submit a normal Common Application Form (CAF) to the Local Authority (in writing or online) for admission into the normal age group at the same time as they submit a written request to the Governing Body for their child to be admitted out of the normal age group.

Please note: This Governing Body will not honour a decision made by another admission authority on admission out of the normal age group. Parent(s)/carer(s), therefore, should consider whether to request admission out of the normal year group at all their preference schools, rather than just their first preference school.

The Governing Body will make a decision on the request before the Primary national offer date if at all possible.

If the request is agreed, the parent(s)/carer(s) must make a new application for the next main admission round the following year, and their current application for the normal age group should be withdrawn before a place is offered.

If their request for admission outside the normal age group is refused, parent(s)/carer(s) must decide whether to accept the offer of a place for the normal age group that they receive from the Local Authority, or to refuse it and make an in-year application to the Governing Body for admission to year one for the September following their child's fifth birthday.

Making the decision

Parent(s)/carer(s) seeking admission of their child outside their normal age group must send their written request to the Governing Body. It is the responsibility of the parent(s)/ carer(s) to provide the Governing Body with all relevant information relating to this request, including the parent/carer's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional (where relevant); whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

The Governing Body is required to take into account the views of the Head Teacher on the application as well as the information from the parent(s)/carer(s). The Governing Body will make their decision on the basis of the circumstances of each individual case, and in the best interests of the child concerned.

The Governing Body will then inform the parent/carer of their decision on the year group the child should be admitted to and will provide the reasons for their decision.

Parent(s)/carer(s) have a statutory right to appeal to an independent admission appeal panel against the refusal of a place at a school for which they have applied. As the purpose of the appeals process is to consider whether a child should be admitted to a particular school, the right of appeal does not apply if they are offered a place at the school but it is not in their preferred year group. However, they may make a complaint about an admission authority's decision not to admit their child outside their normal age group.

Twins, etc

Where there are twins, etc wanting admission and there is only a single place left within the admission number, then the governing body will exercise as much flexibility as possible within the requirements of infant class sizes. In exceptional circumstances cases we are now able to offer places for both twins and all triplets, even when this means breaching infant class size limits. This may also apply to siblings who are in the same year group.
