Grounds for Direction

This Direction is given on the basis that:

10. ***Blackburn with Darwen is currently one of the Councils in the UK with the highest Covid-19 rate, and while significant efforts are being taken by the Council and PHE the infection rate is refusing to come down. The local rate is so high that since the 25 July 2020 the Government enacted special regulations which halted the national relaxation of the restrictions in relation to Blackburn with Darwen and Luton and imposed stringent restrictions on gatherings in domestic settings. The premises to which this direction relates is a wedding venue and it has failed to abide by social distancing guidance from the Government. The proposed measure of closure is due to the significant risk to customers and their wider family groups from mixing with so many people. The owner of the business is aware of the guidance and is disregarding it. Therefore confidence in management is low and lesser steps are unlikely to be successful.***

See Annex A for additional details.
