

Civil Contingencies Schools Community Resilience Project Evaluation Form

Thank you for participating in this project – we hope you found it both enjoyable and informative and that the students have learnt a lot.

In order for us to ensure that the project continues to be fit for purpose we need your feedback, this will help us to develop and improve the course over time.

Please return this form with the student's pre & post event questionnaires at the end of the course.

<u>Please rate the following:</u> <u>1 - poor, 2 – average, 3 – good, 4 – very good</u>	Session planning advice	Guidance cards	Resources	Lesson delivery advice <i>(see Q5 below for additional comments)</i>
Session 1				
Session 2				
Session 3				
Session 4				
Session 5				
Session 6				

When you consider the questions below – think about what was beneficial and what can be improved upon

1. Support meeting (if requested by you) with the Council?
2. What are your thoughts on the Question Time session and format?
3. Which resources were of most benefit to the sessions?
4. Which resources did you feel were irrelevant/did not utilise?
5. Time dedicated for the project too much or too little (we suggest one session per week is optimum)
6. How did the children engage with the topic and activities?
7. Were the learning outcomes achieved?

8. Did the children manage to use 'pester power' at home to engage their parents/carers?

9. What was the best things about the programme?

10. Did you encounter any issues? How could the programme be improved?

Any other comments

THANK YOU FOR YOUR ASSISTANCE
